1. *“Would I recommend POWER 10 for a fundraising drive? Absolutely! Having been involved in various fundraising efforts for the last 40 years, I have to say POWER 10 is head and shoulders above its competitors. POWER 10 brings organization, focus and discipline to their work and enables the chair of a campaign to have confidence that everything is being handled.”*

6. *“I highly recommend POWER 10 to other nonprofit organizations considering a major fundraising campaign. One of the big reasons why is the organizational skills and tools they bring to the table - especially their tracking system that shows everyone’s assigned tasks so that all can see the priority of things that need to be completed and stay on track.”*
